

General City of Duluth Parking Requirements

- Alternate side parking is in effect 24/7 year-round by default unless a particular block has parking-related signage stipulating otherwise.
- Vehicles parked on the street must be moved every 24 hours.
- Vehicles parked on the street must be a minimum of...
 - 7' from alleys and driveways (even one's own driveway)
 - 10' from fire hydrants
 - 20' from crosswalks
 - 30' from stop signs
- No parking is permitted in alleys, on boulevards (the grass between the sidewalk and the street), and front yards. (Backyard parking is permitted in a gravel or paved driveway. Parking also is permitted in one side yard extending toward the street at the front of the property but only on a paved driveway.)
- Notes:
 - Anyone can utilize the street parking in front of a residence. It is not reserved for the homeowner or renter.
 - There is no prohibition against parking across the street from a driveway.
 - There is no limit to the number of vehicles that a single person or residence can park on city streets.
